COVID-19 Non-Emergency Medical Care:

If a participant develops symptoms while at the club:

- Isolate from others. This may be in their car. If they don't have a car, isolate in an outdoor area until a ride arrives. If they are very unwell, isolate them in the Coaches Room behind the front entrance.
- The ill participant and everyone else should wear a mask.
- Monitor the ill participant for worsening symptoms.
- The ill participant should complete a self-assessment and follow the instructions. Currently the tool advises self-isolation and getting testing.
- Any other participants present at the same time as the ill participant should also complete a self-assessment and follow instructions.
- The ill participant should contact their family physician, and/or Hamilton Public Health as directed.
- Contact *Club President/ Board Member/Safety Officer*
